### **Be Renewed in the Spirit of Your Mind**

#### **Best Way to Preserve Your Marriage? Stay Faithful!**

**Staying faithful takes work!** *No one* on this earth can just stay faithful through their own control. That's like saying an alcoholic can get sober through their own will power and control. Only God, through Jesus Christ can make us the whole and complete people we were meant to be—we can't become whole and complete without the Spirit of Christ!

**God helps those who help themselves. When we humble our wretched lives to God we are helping ourselves!!**

Adultery starts in the heart, even before the act of adultery has ever been committed; it is *thought about first by the attitude within our spirit*. We may think it is ok to lust, desire and covet others, but we have deceived ourselves. This is why Jesus says to not look at a woman or man lustfully or it will cause adultery, or for the unmarried, fornication. (Matthew 5:27-28)

Ephesians 4:23: That ye put off concerning the former conversation the old man, which is corrupt according to the deceitful lusts; ***and be renewed in the spirit of your mind***. And that ye put on the new man, which after God is created in righteousness and true holiness.
