Remarriage Not Recognized by God and is Considered Adultery

We have a lot to say about divorce and remarriage on the [Heaven Ministries website](#). Our long time followers know that we study and preach the Word of God as it is written.

Periodically we receive concerns and questions from remarried readers about difficulties in their marriage. What do we do in that situation where someone is having marital troubles and they are living in sin in a second “invented” remarriage. I say “*invented*” because it is not really a marriage but a situation that Jesus Christ refers to as adultery.

Here's how people have been deceived by the mainstream churches: some guy in the state thinks he can just sign a piece of paper and make a married couple that God joined together not married anymore. (Doesn't that seem amazing though, think about it?) Then, because this couple *thinks* they are divorced, they can just go through the same symbolic *ritual again* with a different person and be remarried, but in actuality, **God does not recognize this second marriage**. To Him both are living in adultery.

Divorce is not the sin, it is the REMARRIAGE. It is like temptation is not really a sin until we act on it; then it invariably becomes sin. (NOTE: We should always run from tempting situations and try not to allow ourselves to be tempted by how we live and who we interact with.) On the same token, acting on the position of divorce and remarrying someone else while our first spouse still lives, is a sin. The bible is VERY clear that remarriage is not a real marriage.

So when a remarried person writes into our ministry with marriage problems we like to first remind them of their sinful living situation and then gently nudge them to becoming closer with God, by having a personal relationship with God's Son, Jesus Christ. We can't make someone believe the truth, especially after years of

being deceived by the mainstream, but we can let them know that they need healing and *that* healing can only be found through our Lord, Jesus Christ.

If we have ever forgotten to let any remarried person, who has written into our ministry, that they are living in sin, then we are reminding you now. And if you are remarried we recommend you read and study the bible about “what Gods Word says about marriage”.
